That with respect to Notice of Motion EC2025-0315, the following be adopted, **after amendment**:

NOW THEREFORE BE IT RESOLVED that Council directs Administration to:

Include an **attachment** as part of the RouteAhead annual update on May 14<sup>th</sup> that responds to the following suggestions:

#### Operations & Service Suggestions

- Extend the duration of a valid fare from 90 minutes to 120 minutes.
- Extend or eliminate digital ticket expiry.
- Partner with major events/conferences/sports teams to make transit passes part of ticket price.
- Broadcast CTrain locations and arrival times using GTFS-Realtime standards, so that third party applications (e.g. Google Maps or the Transit App) can provide better real time train information to customers.
- Implement GPS use for transit operators to reduce routing errors, improve detour adherence, and make trips more efficient.

#### Communication & Navigation Suggestions

- Install station area context maps at all LRT stations to allow riders to orient themselves before exiting the station.
- Configure LRT and BRT screens to display arrival time information at all times and where possible display the next two arrival times
- Add train departure boards on non-platform areas and in nearby high traffic areas (e.g. malls, campus centres)
- Provide network-wide train and bus status information at all major transit stations
- Update announcements on all MAX BRT and LRT lines to include transfers to other priority transit network lines.
- Design and publish a step-by step procedure and communications plan to handle small and large disruptions, which may include temporary stop closures, single track operations and weather updates.
- Implement timely, weather-resistant, and user-friendly physical signage at stops for all closures and detours, beyond current digital notifications.
- Restart on an ongoing basis, the 2013 transit etiquette campaign to promote courteous behaviour among bus and train riders.

- Use consistent destination-base language on physical signage as is used in announcements.

#### Request for Information
