Park Renaming – Ward 7

EC2024-0147

April 16, 2024

Recommendations

Review by 2024 May 31.

That the Executive Committee recommend that Council:

1. Approve the renaming of the Fort Calgary Site to “The Confluence”; and
2. Direct that the Closed Meeting discussions, Report and Attachments be held confidential pursuant to Section 16 of the *Freedom of Information and Protection of Privacy Act* to be reviewed by 2024 May 31.

“

Fort Calgary is a hole in the middle of the city. It should be more than a meeting place or a school program place, it should be a destination.

”

Who we were...

- Singular story:
 - Started and ended with *The Fort*
- Emphasis on buildings vs land
- Identity crisis

Engaging Communities: Stormy Lake Consulting

More than 1,500 community members, partners and experts were formally engaged.

Strategic Framework

- **Vision**
 - We envision a land where every story belongs and every person can connect
- **Mission**
 - Recognize the truths of our past to make sense of our collective identity
- **Values: Shape how we engage with our audience**
 - Integrity | Truth | Courage | Collaboration | Empathy
- **Guiding Principles: Steer our work internally**
 - Credibility | Engaging | Welcoming | Inspiring
- **Our Priorities: Core areas of focus, developed from engagement**
 - Land | Truth | Inclusion | Community | Responsibility
