

Tax Instalment Payment Plan (TIPP) TERMS AND CONDITIONS

TIPP is a monthly instalment payment plan, pursuant to Section 340 of the Municipal Government Act and The City of Calgary Bylaw 9M2002, by which taxpayers may make consecutive monthly payments for taxes by automatic bank withdrawal.

By completing the information on this agreement and providing the bank account number, I/we agree that:

- I/we the participant(s) authorize the referenced bank to debit my/our specified chequing account the 1st day of every month for the monthly tax instalment, payable to The City of Calgary, as payment in part of taxes due on the property named on this online agreement.
- This agreement only applies to the property indicated on this online agreement and is not transferable to another location address. A separate online agreement must be completed for each property.
- Instalment amounts will be adjusted effective July 1 each year to reflect the annual tax levy billed in May. I/we will be notified by the annual tax bill of the current year's tax amount, the total amount of instalments paid to date, and the revised instalment amount.
- Instalment amounts may be adjusted at any time throughout a tax year to account for changes to my/our tax account balance. Instalment amounts may also be adjusted effective January 1 for the up-coming tax year. Without limitation, the aforesaid instalment adjustment may reflect a forecasted tax increase, if applicable. I/we will be notified no less than 10 days prior to any increase to an instalment amount(s).
- If The City of Calgary receives a completed online agreement by the 20th of the month, withdrawals from my/our bank account will commence on the 1st day of the following month without further notice. If The City of Calgary receives the completed online agreement after the 20th of the month, withdrawals will commence on the 1st day of the second month following receipt without further notice.
- It is my/our responsibility to advise The City of Calgary of any change to my/our bank account information, either in writing or by online request, **not later than the 22nd of the month prior to the next scheduled withdrawal**. Bank account information change requests received after the 22nd of the month will be processed after the upcoming withdrawal. If submitting my/our bank information change notice after the 22nd of the month results in my/our instalment to be returned by my bank, any resulting service charges will apply.
- Any instalment payment not honoured by my/our bank may be subject to service charges, which will be added to the tax roll and deemed taxes.
- The City of Calgary has the right to cancel participation in TIPP if any payments are not honoured by my/our bank.
- I/we may cancel my/our participation in the plan by submitting a written or online cancellation request to The City of Calgary **not later than the 22nd of the month** to ensure the next month's scheduled instalment is not withdrawn from my/our bank account. Cancellation requests received after the 22nd of the month will be processed after the upcoming withdrawal.
- In the event of a property sale, it is my/our responsibility to cancel the plan. Withdrawals will not cease automatically upon the sale of a property.
- Cancellation of this plan, by either the participants or The City of Calgary, will result in all unpaid taxes becoming due in accordance with The City of Calgary Bylaw 9M2002 and subject to penalties in accordance with the Penalty Bylaw 8M2002.
- TIPP automatically continues from year to year.
