Zone Controlled Spaces

- (10) The *Traffic Engineer* may authorize parking spaces on any *street* or in any parking lot or parkade or in any *Residential Parking Zone* to be designated as *zone controlled spaces* and cause to be installed a *payment terminal*, or offer a *cellular phone payment service* for the payment for the use of a space.

(53M2010, 2010 July 19)
(6M2021, 2021 January 18)

- (11) No owner or *operator* shall allow a vehicle to remain in a *zone controlled space* for longer than the period of time indicated on the applicable *traffic control device* or in the instructions on the *payment terminal*.
- (12) The owner or *operator* shall pay for the use of the *zone controlled space* in accordance with the instructions on the *payment terminal* or given by the *cellular phone payment service*.
- (13) Payment may be made at the *payment terminal* either by:
- (a) the deposit of funds; or
 - (b) electronic payment by credit card; or
 - (c) the activation of an account by a *cellular phone payment service*.
- (14) No owner or *operator* shall allow a vehicle to remain in the *zone controlled space* for longer than the period of time for which payment was made.
(47M2023, 2023 October 17)
- (14.1) No owner or operator may park in a *zone controlled space*:
- (a) where prohibited by a *traffic control device*; or
 - (b) contrary to the instructions on the *payment terminal*.
(53M2010, 2010 July 19)
- (15) Immediately after parking the vehicle in a *zone controlled space* the owner or *operator* shall purchase the use of the space by inputting on the *payment terminal* or the *cellular phone payment service* the:
- (a) zone in which the vehicle is parked;
 - (b) the license plate number of the vehicle parked in the *zone controlled space*; and
 - (c) depositing a form of payment described in subsection (13).

General Parking Provisions Which Apply to all Parking Spaces

- (16) For the purposes of Section 9 an owner of a vehicle shall be liable for any offence committed by an *operator* of such vehicle.
- (17) Except as otherwise provided in this Section and subject to the *Act*, another provision of this Bylaw or a *traffic control device*, where parking spaces have been marked, no owner or *operator* shall stop or *park* or allow the stopping or parking of any vehicle other than:
- (a) completely within the *zone controlled space*; or

- (b) between the lines or markings indicating the limits of a single parking space.

(47M2023, 2023 October 17)

- (18) Where a vehicle exceeds the dimensions of a single parking space, the owner or *operator* may *park* such vehicle so that it occupies two but not more than two parking spaces.

- (19) DELETED BY 47M2023, 2023 OCTOBER 17.

- (20) DELETED BY 47M2023, 2023 OCTOBER 17.

- (21) Notwithstanding the other provisions of Section 9 a *zone controlled space* located on a *street* may be used without payment:

- (a) DELETED BY 47M2023, 2023 OCTOBER 17.

- (b) by service vehicles of Natural gas companies, telephone companies or of a cablevision company or by emergency vehicles and by other such vehicles as the *Traffic Engineer* may designate, in every case while the *operator* of such service vehicle is required and actually engaged in construction or maintenance of the portion of the utility which lies within the highway; or

- (i) by livery vehicles while the *operators* of such vehicles are actually engaged in taking on or discharging passengers; or

- (ii) by vehicles of the Federal and Provincial Government, if properly designated by appropriate identification crests and vehicles of the City while the *operators* of such vehicles are actually engaged in the course of employment.

(47M2023, 2023 October 17)

- (22) The *Traffic Engineer* may set the hours during which off *street* parking spaces owned or controlled by the City shall be subject to a charge for parking in the following manner:

- (a) by providing an attendant to control entry into the lot; or

- (b) by posting the times during which parking is subject to a charge, either on the *parking meter*, ticket dispenser or by signage in the lot or both.

(35M2007, 2007 May 28)

- (23) No owner or *operator* shall allow a vehicle to remain in a *zone controlled space* where the licence plate of that vehicle is obscured so as to be unreadable to a parking enforcement camera.

PARKING OR STANDING ON STREETS

13.
 - (1) Unless specifically permitted by the other provisions of this Bylaw, no operator or owner shall park or permit to be parked any vehicle on any roadway or public place for any period longer than is permitted by the applicable traffic control device.
 - (2) Unless the vehicle is placed in a portion of the roadway where parking is allowed no operator or owner shall park or stand or permit to be parked or left standing the vehicle on those portions of the public thoroughfare of the City set out in Schedule "J" of this Bylaw.
 - (3) Unless required or permitted by the Act or by a traffic control device, or in compliance with the directions of an *Officer*, or to avoid conflict with other traffic, a driver of a vehicle shall not stop or park that vehicle within 1.5 metres of a break in a curb intended to enable a bicycle, wheelchair or other wheeled conveyance to access the roadway from a sidewalk or pathway.

(9M2019, 2019 March 18)
(72M2021, 2022 January 01)
14.
 - (1) Except in the case of a breakdown or other emergency not allowing the vehicle to be moved the owner or operator of any vehicle shall not stand or park it on the street for the purpose of servicing or repairing the vehicle.
 - (2) No owner or operator of any self-propelled type of vehicle which:
 - (a) is not equipped in accordance with the Act; or
 - (b) is not in operable conditionshall cause or permit such vehicle to be parked or left on any street.
 - (3) Subsection (2) does not apply to a vehicle which has been left parked because of a breakdown or other emergency if the person in charge or control of the vehicle can establish that he has taken immediate action to arrange for the removal of the vehicle forthwith.

(41M98, 1998 September 28)
15. A person being in charge or control of a new or used car dealership, garage, service station, radio shop or other premises where vehicles are sold or repairs or installations are made to vehicles for compensation shall not leave or cause or suffer or permit to be left on any street a vehicle which is left in his possession for carrying out of repairs or making installations or for any other purpose whatsoever.
16.
 - (1) Except as allowed by permit pursuant to Bylaw 20M88, the Streets Bylaw, no operator or owner shall leave parked or permit to be left parked on any street a

trailer, a semi-trailer, mobile equipment or any vehicle which has been detached from the vehicle which is used to draw it.

- (2) Where any type of motor vehicle has removable camping accommodation installed on it the operator or owner of the vehicle or any person in charge of the vehicle either permanently or temporarily shall not leave the camping accommodation or other removable portion of the motor vehicle used for this purpose on any portion of a street after the same has been removed from the motor vehicle.

(41M98, 1998 September 28)

- 17. (1) An owner or operator of a recreational vehicle must not park the recreational vehicle on a street in the City, except in the area of the street immediately adjoining the owner or operator's place of residence.
 - (2) An owner or operator of a recreational vehicle must not park the recreational vehicle on the area of the street immediately adjoining the owner or operator's place of residence for a period of more than 36 consecutive hours.
 - (3) An owner or operator of a recreational vehicle must not park the recreational vehicle on the area of the street immediately adjoining the owner or operator's place of residence if the recreational vehicle was previously parked on that area of the street at any time during the preceding 48 hour period.
 - (4) Notwithstanding anything else in this section, an owner or operator of a recreational vehicle must not park the recreational vehicle on any street in the City in such a manner as to constitute a hazard to other persons using the street.

DESIGNATION OF RESIDENTIAL PARKING ZONES

21. (1) The Traffic Engineer is authorized to designate one or more adjacent streets, or part of one or more adjacent streets, in the City as a *Residential Parking Zone*.
(25M2017, 2017 August 01)
- (2) The Traffic Engineer may assign unique identifiers to each *Residential Parking Zone* to distinguish them.
- (3) The Traffic Engineer may authorize parking spaces on any *street* within a *Residential Parking Zone* to be designated *zone controlled spaces* under section 9.
- (4) The Traffic Engineer may amend the boundaries of a *Residential Parking Zone* or remove a *Residential Parking Zone* at any time.
- (5) The Traffic Engineer must keep a record of the streets that are within an area that has been designated as a *Residential Parking Zone* and a record of every *traffic control device* placed in a *Residential Parking Zone* and these records must be available for public inspection at the office of the Traffic Engineer during business hours and available at www.calgary.ca.
(6M2021, 2021 January 18)
- (6) The Traffic engineer may allocate specific *Parking Zone Permits* based on the type of residential building or dwelling as defined in section 20 above.
(38M2022, 2022 September 14)

RESTRICTIONS ON PARKING IN PARKING ZONES

22. The Traffic Engineer may post a *traffic control device* within a *Residential Parking Zone* imposing parking restrictions.
(6M2021, 2021 January 18)

ELIGIBILITY FOR PARKING ZONE PERMITS

23. (1) The following persons are eligible to apply for a *Parking Zone Permit*:
- (a) a person who resides within a *Residential Parking Zone* that has on-street parking restrictions on a street directly adjacent to the person's dwelling and wishes to park a vehicle registered to that person's residence on-street;
- (b) a person who resides within a *Residential Parking Zone* that has on-street parking restrictions on a street directly adjacent to the person's dwelling and wishes visitors to that person's residence to be able to park on-street;
- (c) a person who is the head of a religious institution or is the president of a community association located within a *Residential Parking Zone*, provided no more than five permits are issued for each institution or association; and

- (d) a person engaged in temporary construction or maintenance work in a *Residential Parking Zone*.
(6M2021, 2021 January 18)
- (2) Despite subsection (1) the following persons are not eligible to apply for a *Parking Zone Permit*:
 - (a) DELETED BY 38M2022, 2022 SEPTEMBER 14
 - (b) a resident of a building where the development permit for that building states that no parking permits would be issued;
 - (c) a resident of an area where access to residential on-street parking permits are limited, restricted, or otherwise discouraged under a statutory plan; and
 - (d) a resident of a building that has 25 percent or more commercial frontage at ground level.
(25M2017, 2017 August 01)

(38M2022, 2022 September 14)
- (2.1) DELETED BY 38M2022, 2022 SEPTEMBER 14
- (3) An application for a *Parking Zone Permit* by an eligible person must be in the form and contain the information prescribed by the Traffic Engineer.
(6M2021, 2021 January 18)

AUTHORITY OF TRAFFIC ENGINEER

- 24. (1) The Traffic Engineer is authorized to issue and renew *Parking Zone Permits* to eligible persons that may exempt a vehicle from one or both of:
 - (a) parking contrary to a specific *traffic control device* within a *Residential Parking Zone*; and
 - (b) making payments for the use of a space in a *zone controlled space* that is within a specific *Residential Parking Zone*.
(6M2021, 2021 January 18)
- (2) In administering *Parking Zone Permits* the Traffic Engineer may:
 - (a) issue and renew *Parking Zone Permits* that are valid for use only by a specific person and/or vehicle within a specific *Residential Parking Zone*;
 - (b) create categories of types of *Parking Zone Permits* and charge different fees for the issuance or renewal of each type of *Parking Zone Permit*;
 - (c) issue or renew a *Parking Zone Permit* on a set term of a number of weeks, months, or years;

- (d) amend or revoke a *Parking Zone Permit* at any time where the person using the permit has failed to comply with a condition of the permit or has provided false or misleading information in obtaining the permit;
 - (e) refuse to renew a *Parking Zone Permit* at the end of its term length;
 - (f) require any person applying for a *Parking Zone Permit* to provide documentation demonstrating;
 - (i) that person's residency within a *Parking Zone*,
 - (ii) the person's ownership and registration of a vehicle, or
 - (iii) any other information necessary in the opinion of the Traffic Engineer to determine whether to issue, renew or revoke a *Parking Zone Permit*;
 - (g) attach terms and conditions to a *Parking Zone Permit*; and
 - (h) determine the type of *Parking Zone Permits* that will be issued to a *multi-residential building* and set a limit to the number that will be issued overall within a particular *Residential Parking Zone* based on one or more of:
 - (i) congestion, occupancy, and turnover of streets,
 - (ii) the number of street parking spots,
 - (iii) the type of traffic control devices and parking conditions in the *Residential Parking Zone*, and
 - (iv) the type and/or density of residential buildings in the *Residential Parking Zone*.
- (3) The Traffic Engineer is not required to issue or renew a *Parking Zone Permit* unless the required fee for the permit has been paid by the person applying for the permit.

(6M2021, 2021 January 18)
(38M2022, 2022 September 14)
- (4) Fees paid for a *Parking Zone Permit* are not refundable.

(25M2017, 2017 August 01)
(6M2021, 2021 January 18)
- (5) *Parking Zone Permits* are not transferable.

(6M2021, 2021 January 18)
- 25. (1) The Traffic Engineer may revoke, refuse to issue, or refuse to renew, a *Parking Zone Permit* where:
 - (a) the applicant is not eligible to apply;

- (b) the permit limit set by the Traffic Engineer for *Parking Zone Permits* for a *multi-residential building* or overall within the *Residential Parking Zone* would be exceeded;
 - (c) the applicant has misused a current or previously issued *Parking Zone Permit* or failed to abide by terms and conditions placed on a permit, or supplied false or misleading information in applying for a permit;
 - (d) the vehicle applied for is not a passenger automobile or exceeds a maximum weight of 4500 kg or exceeds 6.7 meters in length or exceeds 2.9 meters in height and is not intended to be used for limited term construction or maintenance activities in the *Residential Parking Zone*; or
 - (e) the *Residential Parking Zone* is removed.
(6M2021, 2021 January 18)
(38M2022, 2022 September 18)
- (2) The Traffic Engineer may attach one or more of the following terms and conditions to a permit:
- (a) that the permit expires on a set date from when it is issued;
 - (b) that the permit only applies to one unique *Residential Parking Zone*;
 - (c) that the permit is only valid for specific times of the day or specific days of the week; or
 - (d) that the permit can only be used for a specific vehicle.
(6M2021, 2021 January 18)
- (3) Any person who relies on a permit in defence to a charge under this Bylaw or the Parking Bylaw has the onus of proving that he or she was the holder of a valid and subsisting *Parking Zone Permit*.
(25M2017, 2017 August 01)
(6M2021, 2021 January 18)
- (4) The Traffic Engineer may delegate the power to issue, revoke or administer permits under this section at any time to any other City employee.
(6M2021, 2021 January 18)
(60M2021, 2021 September 15)

PROHIBITIONS

26. (1) The owner or operator of a vehicle must not park or stop or permit the parking or stopping of a vehicle contrary to a *traffic control device* in a *Residential Parking Zone*.
(6M2021, 2021 January 18)
- (2) Notwithstanding subsection (1) a vehicle for which a valid and subsisting *Parking Zone Permit* has been issued may be parked on a street in a *Residential Parking Zone* where parking is restricted by a *traffic control device* despite that restriction.

(6M2021, 2021 January 18)

- (3) The exception set out in subsection (2) only applies in the specific *Residential Parking Zone* for which the *Parking Zone Permit* has been issued as identified by the unique identifier designated by the Traffic Engineer and only exempts from the specific *traffic control device* specified in the *Parking Zone Permit*.

(6M2021, 2021 January 18)

- (4) A person must not use a *Parking Zone Permit* contrary to its terms or conditions.

(6M2021, 2021 January 18)

PARKING ON ALLEY

27. (1) No owner or operator of a vehicle shall stop or park or permit the stopping or parking of the vehicle on either side of any alley in front of or within one and one half metres of a driveway or garage entrance entering into the alley.
- (2) No operator or owner of a vehicle shall cause or permit the vehicle to be parked in an alley in such a manner or in such circumstances so as to leave available less than three metres of the width of the roadway of the alley free and clear of all obstructions to allow the free movement of other vehicular traffic therein.
- (3) No operator or owner of a vehicle shall stop or park or permit the stopping or parking of a vehicle in such a manner, location or circumstances that it blocks an alley and impedes the use of the alley by another vehicle.
- (4) No operator or owner of a vehicle shall stop or park or permit the stopping or parking of a vehicle in such a manner that the vehicle is in front of or within one metre of the side of any refuse container or storage area located in any alley outside the Central Traffic Zone.
- (5) No operator or owner of a vehicle shall park or permit the parking of the vehicle in any alley:
- (a) in the Central Traffic Zone except during the time that merchandise is actually loaded into or unloaded from a stopped Commercial Vehicle; or
 - (b) elsewhere than in the Central Traffic Zone which is 6.1 Metres (20 Feet) in width or less at any point except while:
 - (i) passengers are embarking or disembarking from the vehicle; or
 - (ii) the vehicle is under the immediate control of the driver and is waiting for passengers to embark or disembark therefrom; or
 - (iii) chattels and objects are being unloaded from or loaded on the vehicle.
- (6) No operator or owner of a vehicle shall stop or park, or permit the stopping or parking, of the vehicle in any marked fire lane.
- (7) No operator or owner of a vehicle shall stop or park or permit the stopping or parking of the vehicle in a manner where the vehicle may interfere with the use of a doorway marked on the exterior as a fire or emergency exit from any building.
- (8) No owner or operator shall park or permit any vehicle to be parked on an alley such that any part of the vehicle is within three metres of an electrical transformer.

(41M98, 1998 September 28)

UNAUTHORIZED PARKING

28. (1) No owner or operator of a vehicle shall park or permit the parking of the vehicle on any private property that has been clearly marked as such by a sign or signs posted thereon without the prior permission of the owner, tenant, occupant or person in control of the private property.
- (2) No owner or operator of a truck type vehicle with a maximum weight exceeding 4500 kg shall park or permit the parking of the vehicle or its trailer on any private property that has been clearly marked as such by a sign or signs posted thereon without the prior permission of the owner, tenant, occupant or person in control of the private property.

(3M2011, 2011 January 10)

- (3) Notwithstanding the provisions of Subsection (1), where, on private property used for a commercial or industrial purpose, or property owned by the Government of Canada or Alberta or The City, parking space or spaces or a parking area is provided for the parking of the vehicles of persons who are customers or patrons of or who are otherwise doing business with the owner, tenant, occupant or person in charge of the property and the space is clearly designated as being:

- (a) private or government property; and
- (b) set aside for parking only of vehicles:
 - (i) of customers, patrons of or persons doing business with the owner, tenant, occupant or person in charge of the property; or
 - (ii) for persons using a facility or service supplied by the owner, tenant, occupant, or person in charge of the property;

an owner or operator of a vehicle who immediately after parking or leaving the vehicle is not a customer or patron or person doing business with or using a facility or service supplied by the owner, tenant, occupant or person in charge of the land as indicated in the designation unless he has verbal or written permission from the said owner, tenant, occupant or person in charge shall not park or leave his vehicle on the parking space, spaces or area so designated.

- (4) A person owning or occupying or in charge of private property who observes that any person is violating the provisions of Subsections (1), (2) or (3) may report the violation to The City of Calgary giving:
- (a) the name and address of the person reporting the violation;
 - (b) the address of the land where the vehicle is parked; and
 - (c) the license number of the illegally parked vehicle.

(60M2021, 2021 September 15)

- (5) An *Officer* may cause any vehicle parked contrary to Subsection (1), (2) or (3) to be removed therefrom and to be impounded in a pound maintained by the City for this purpose.

(72M2021, 2022 January 01)

- (6) In addition to impounding the vehicle an information and complaint may be laid against the owner or person in charge of the illegally parked vehicle for the violation of the provisions of this Section.

- (7) In lieu of or in addition to the removal and impounding of the vehicle an *Officer* or any person designated by the Chief of Police for this purpose may place a traffic tag upon the vehicle parked in contravention of this Section.

EXEMPTION FROM PARKING PROVISIONS

29. (1) Notwithstanding anything elsewhere contained in this Bylaw the provisions relating to stopping or parking of vehicles do not apply to:

- (a) emergency vehicles;
- (b) service vehicles used in conjunction with the servicing of public utilities including telephone systems, electric systems, natural gas systems and cablevision systems;
- (c) municipal and other Government Public Works vehicles; or
- (d) towing service vehicles;

while any such vehicle is being used in work requiring that it be stopped or parked at that location.

- (2) Where the owner or operator of a vehicle stops, stands or parks pursuant to Subsection (1) contrary to other provisions of this Bylaw he shall take due precaution to indicate the presence of such vehicle on any street while so parked or stopped.
- (3) Notwithstanding anything to the contrary contained in this Bylaw the Traffic Engineer may issue a permit exempting a vehicle for any period of time and from such provisions of this Bylaw pertaining to stopping or parking vehicles as may be specified therein, which permit shall not be valid unless attached to the inside of the vehicle in respect of which it issued so as to be clearly legible from the outside thereof.

(41M98, 1998 September 28)

- (4) A permit issued pursuant to subsection (3) may specify that the exemption is limited to:

- (a) a specific location or locations;

- (b) specific times of the day; and
 - (c) specific dates.
- (5) The Traffic Engineer may charge a fee for a permit issued pursuant to subsection (3).

(38M2013, 2013 September 16)
- (6) A person must not park a vehicle on a sidewalk or boulevard except for bicycles or e-scooters.

(1M2020, 2020 January 13)
- 30. (1) For the purposes of this Section a Messenger Service Vehicle is a vehicle not exceeding a maximum weight of five thousand four hundred and fifty kilograms which is:

- (1.1) Despite subsection (1), the operator of a vehicle bearing the sign "School Bus" may activate the alternately flashing red or amber lights on the vehicle while loading or unloading passengers on a street that does not have a curb on both sides of the roadway.
- (23M2015, 2015 June 16)
- (2) The requirement under the Act for the operator of a school bus to make a mandatory stop at a railway crossing not controlled by a traffic control signal shall not apply to such uncontrolled crossings within the corporate limits.

SLOW MOVING TRAFFIC

39. (1) In this Section "Slow Moving Vehicle" includes any vehicle or equipment, any animal-drawn vehicle or any other machinery designed for use at speeds less than 40 kilometres per hour and which normally travels or is used at speeds of less than 40 kilometres per hour.
- (2) No person shall operate a slow moving vehicle on a street or portion thereof set out in Schedule "M" to this Bylaw on any day between the hours of seven o'clock in the morning and eight thirty o'clock in the morning, or between the hours of four o'clock in the afternoon and six o'clock in the afternoon, except on a Saturday or a Holiday.
- (3) No person shall operate a slow moving vehicle during night time on any street with a posted maximum speed limit of 70 kilometres per hour or more unless the slow moving vehicle is accompanied by a pilot vehicle following behind.
- (4) The provisions of this Section shall not apply to any vehicle owned by or under contract to the City of Calgary or any vehicle used in conjunction with roadway maintenance while such vehicle is actually engaged in maintenance operations on any restricted roadway as described in Schedule "M".
- (5) No person shall operate a slow moving vehicle on the Deerfoot Trail between the north city limits and the Anderson Road/Bow Bottom Trail interchange at any time.

PARADES AND SPECIAL ROADWAY EVENTS

40. (1) A person must not participate in a parade or special roadway event unless a permit for the parade or special roadway event has been issued by the Traffic Engineer.

- (2) Any person or organization wishing to organize a parade or special roadway event must make application to The City and advise of the place of origin, destination, and route to be followed by such a parade or special roadway event along with the time and date thereof. A fee as set by the Traffic Engineer is payable at the time of application.

(50M2018, 2019 January 01)

- (3) In the case of an application for a parade or special roadway event which is to take place partially within a park or adjacent to a park, the Traffic Engineer must obtain the written authorization of the *Director, Parks and Open Spaces* prior to issuing a permit.

(7M2016, 2016 February 18)

(72M2021, 2022 January 01)

- (4) The Traffic Engineer may issue a permit for a parade or special roadway event and may impose conditions on a parade or special roadway event permit including specifying the route to be followed, the time the parade or special roadway event may take place, the type of vehicles, floats, animals, displays or other things that will be allowed to take part, and any other condition that the Traffic Engineer deems necessary.

- (5) A permit holder must comply with all conditions set out in the permit. Where the permit holder fails to comply with the conditions set by the Traffic Engineer, the Traffic Engineer may cancel the permit.

- (6) When a permit has been granted for a parade or special roadway event:

- (a) despite any provision of this Bylaw, a person or persons may congregate on the sidewalks or a portion of a street designated for that purpose in order to view the parade or participate in the special roadway event;

- (b) the Traffic Engineer may:

- (i) close all or portions of the street along the route or area set out in the permit for the anticipated time of the parade or special roadway event and for such additional time as necessary to again clear the street for normal traffic; and
- (ii) temporarily suspend parking and loading privileges on all or a portion of a street on the proposed route or area.

- (7) Where permission is obtained allowing vehicles, animals, or floats to be placed in or on the route, the permit holder must:

- (a) enter into an agreement to indemnify and save harmless the City from and against any and all claims for injury to any person or persons and damage to any real or personal property arising by reason of or in any way connected with the entry, placing, or operation of any vehicle, animals, or float in the parade or special roadway event whether prior to, during, or after the parade or special roadway event and whether arising

out of or directly or indirectly caused by any act, omission or negligence of the City, its employees or agents; and

- (b) furnish a policy of liability insurance in an amount required by the City Solicitor naming the City as one of the insured and the granting of the permission for allowing vehicles, animals or floats to take part in the parade or special roadway event shall be the consideration for such indemnity.
- (8) Notwithstanding the indemnity or the insurance required by subsection (7), the owner, sponsor, driver or operator of a vehicle, animal, or float and all persons on such vehicle, animal or float taking part in the parade or special roadway event must ensure that:
 - (a) no part of the vehicle, animal, or float will damage the street, electric or telephone poles or wires, streetlights, transit posts, cables or supports, traffic signal lights or signs, fire hydrants, or any other property of the City or a public utility in a street; and
 - (b) the vehicle, animal, float, or anything thereon or attached thereto will not injure any person or cause damage to any real or personal property; and
 - (c) no portion of the vehicle, animal, or float or anything erected, placed on or attached to the vehicle, animal, or float will come in contact with any telephone wire or any wire charged with or carrying electric current.

(24M2003, 2004 January 12)
(23M2015, 2015 June 16)

- 40.1 (1) Where a permit has been granted for a parade or special roadway event, a person must not join or otherwise interfere with the parade or special roadway event without the permission of the permit holder.
- (2) A person who joins or otherwise interferes with a parade or special roadway event without permission must depart the immediate area of the parade or special roadway event after having been directed to do so by an *Officer*.

(8M2019, 2019 March 18)

MULTI-USE CROSSINGS

- 41.1 (1) The Traffic Engineer may designate crosswalks upon which a person may ride or operate a bicycle, skateboard, scooter, e-scooter, in-line skates or roller skates to cross the roadway.
- (8M2019, 2019 March 18)
(1M2020, 2020 January 13)
- (2) Where the Traffic Engineer has designated a crosswalk pursuant to subsection (1), any crosswalk so designated shall be known as a “multi-use crossing”. The Traffic Engineer shall indicate the multi-use crossing by the placement of such traffic control devices as the Traffic Engineer deems necessary.
- (3) A person operating a motor vehicle on a roadway must yield the right of way to:
- (i) a pedestrian; and
 - (ii) a person riding or using a bicycle, skateboard, scooter, e-scooter, inline skates or roller skates;
- who is crossing the roadway within a multi-use crossing.
- (8M2019, 2019 March 18)
(1M2020, 2020 January 13)
- (4) When crossing a roadway within a multi-use crossing:

- (i) a pedestrian; and
- (ii) a person riding or using a bicycle, skateboard, scooter, e-scooter, in-line skates or roller skates;

has the same rights and obligations as a pedestrian using a crosswalk.

51.1 DELETED BY 48M2024, 2025 JANUARY 01.

51.2 No owner or operator of a vehicle shall permit the operation of a vehicle on a street while that vehicle is discharging a plume or trail of visible smoke from its exhaust pipe or exhaust system.
(36M2003, 2003 July 28)

OBJECTIONABLE NOISE

51.3 (1) In section 51.4 below:

- (a) "*dB(A)*" means the sound pressure measured in decibels using the "A" weighted scale of a Sound Level Meter;
- (b) "*Objectionable Noise*" means any sound caused by or emanating from a motor vehicle that annoys or disturbs any reasonable person and includes but is not limited to:
- (i) the squeal of a tire made by a motor vehicle which is accelerating or changing direction,

- (ii) sound caused by a component of the vehicle that is a modification of a stock part that creates additional noise,
- (iii) a roaring or explosive sound,
- (iv) the sound of a radio, stereo, television, or other device or amplification equipment,
- (v) the sound from vehicle-mounted amplification equipment, a bullhorn or other device used to amplify voices, which is continuously made for more than two minutes at the same location,
- (vi) the sound of a diesel engine bus which has been idling or otherwise running continuously for more than three minutes at the same location except where the diesel engine bus is located within a garage or depot intended for its long term parking,
- (vii) the sound of a motor vehicle security system which is made,
 - A. for a period exceeding one minute, or
 - B. more than three times in one 24 hour period, except for the motor vehicle security system's activation status signal,
- (viii) operating a motor vehicle, as measured by a *Sound Level Meter*, that is capable of:
 - A. emitting any sound exceeding 92 *dB(A)*, as measured at 50 centimetres from the exhaust outlet or from the rear centre of the vehicle where the exhaust outlet is not visible, while the engine is at idle, or
 - B. emitting any sound exceeding 96 *dB(A)*, as measured at 50 centimetres from the exhaust outlet or from the rear centre of the vehicle where the exhaust outlet is not visible, while the engine is at any speed greater than idle; and
- (c) “*Sound Level Meter*” means a device used to measure sound pressure that meets one of the following standards:
 - (i) the American National Standards Institute S 1.4-1983 (R2006),
 - (ii) the International Electro-Technical Council

Standard No. 123,

- (iii) the British Standard No. 3539 Part 1, or
- (iv) the U.S.A. Standard S.14-1961.

(48M2024, 2025 January 01)

- 51.4 (1) A person must not make, continue, or allow to be made or continued any *Objectionable Noise* with a motor vehicle.
- (2) In determining whether a noise is an *Objectionable Noise* a court may have regard to the following:
- (a) time of day;
 - (b) duration of the sound;
 - (c) volume of the sound or *dB(A)* levels measured;
 - (d) nature of the sound;
 - (e) whether the sound is recurrent, intermittent or constant;
 - (f) nature of the event or activity from which the sound emanates;
 - (g) character of the surrounding neighbourhood; and
 - (h) proximity to residences.
- (3) Where an Officer has reasonable grounds to believe a motor vehicle is emitting an *Objectionable Noise*, that Officer may provide directions to the operator of that motor vehicle, while the Officer takes a measurement with a *Sound Level Meter*, and such directions may include but are not limited to:
- (a) turning the engine on or off,
 - (b) placing the vehicle in neutral or gear, or
 - (c) depressing the accelerator or revving the engine of the vehicle.
- (4) A person must comply with a direction from an Officer given under subsection (3) above.
- (5) This section does not apply to persons participating in parades held with a valid parade permit or persons operating emergency vehicles.
- (6) An owner of a motor vehicle may be liable for any contravention of this section except for subsection (4) above.

OBSTRUCTIONS TO VISION

54. (1) A person shall not permit any hedge, tree or shrub, whenever planted, on property owned or occupied by him located within a triangle formed on a corner site by the two curb lines adjoining an intersection, including a lane intersection, and two points located 7.5 metres from the said corner where the curb lines meet, herein referred to as the "corner visibility triangle", to grow or remain at a height greater than 750 millimetres.
- (2) If a person is directed by an *Officer* to reduce any hedge, tree or shrub located in a corner visibility triangle to a height not in excess of 750 millimetres, and fails to carry out such direction within seven days of receipt of such direction, the City may remove any such hedge, tree or shrub or reduce it to the required height, and if the cost of such work is not paid on demand by the owner or occupant of the property in question, the City may recover the expense of such work, with costs, by action in any Court of competent jurisdiction, or may charge the expense of the work as taxes against such property.
- (3) A person shall not build, place, erect or allow to continue in existence a fence, wall or structure, other than a building on private property, within a corner visibility triangle to a height greater than 750 millimetres.
- (4) The maximum height provided in Subsection (1), (2) and (3) shall be measured from the top of the curb where there is a sidewalk or from the level of the crown of the roadway where there is no sidewalk.
- (5) If contrary to the provisions of Subsection (3) any such fence wall or structure other than a building, is erected beyond the maximum height allowed by the said Subsection an *Officer* may order the person who built, placed, erected or who is responsible for the continuing existence of the fence, wall or other object to remove the same and if the same is built, placed or erected on or subsequent to the tenth day of May, 1965, the person responsible therefore shall forthwith at

(72M2021, 2022 January 01)

his own expense remove or reduce the height of the fence, wall or structure other than a building, to within the maximum height allowed by Subsection (3) and if the person responsible for the same neglects or refuses to reduce the height thereof or remove it the City may proceed to reduce the height as required and may charge the cost thereof to the person on whose land the said fence, wall or structure other than a building, exists.

(72M2021, 2022 January 01)

- (6) If a fence, wall or structure other than a building which contravenes the restriction contained in Subsection (3) hereof was erected prior to the tenth day of May, 1965, then the City may cause the same to be reduced in height or may remove it at the sole expense of the City.

(1M2000, 2000 January 24)

TRAFFIC TAGS FOR CERTAIN OFFENCES

55. (1) Where an *Officer* believes that a vehicle is parked in contravention of this Bylaw or the Act, he may:

(72M2021, 2022 January 01)

- (a) place a tag on the vehicle; or
- (b) send a tag to the registered owner of the vehicle by ordinary mail.

- (2) A tag must set out a specified penalty for the contravention, and may provide for early payment amounts.

(17M2010, 2010, March 08)

- (3) If a person who is responsible for a contravention of a provision of this Bylaw or the Act pays an early payment amount, or the specified penalty amount within the times and in the manner set out on the tag, such payment will be accepted in lieu of prosecution.

(17M2010, 2010 March 08)

- (4) If the payments referred to in subsection (3) are not made within the times and in the manner set out on the tag, a Violation Ticket may be issued to the registered owner of the vehicle in accordance with the Provincial Offences Procedures Act, R.S.A. 2000, c. S-1.

- (5) Nothing in this Section shall:

- (a) Prevent any person from exercising his right to defend any charge of committing a breach of any Section of this Bylaw; or
- (b) prevent an *Officer*, in lieu of serving a tag, from issuing a Violation Ticket to a person or registered owner pursuant to the Provincial Offences Procedures Act, R.S.A. 2000, c. S-1.

(72M2021, 2022 January 01)

- (6) The specified penalties and early payment amounts referred to in this Section are as set out in Schedule "A" to this Bylaw, which shall form part of the Bylaw.
(1M2000, 2000 January 24)
(29M2003, 2003 May 12)
56. A person other than the owner or operator of a vehicle shall not remove any tag or notice placed on or affixed to the vehicle by an *Officer* in the course of his duties.
(72M2021, 2022 January 01)
57. No person other than an *Officer* or another person authorized by the Chief of Police or by this Bylaw shall place a tag on any vehicle.
(72M2021, 2022 January 01)

COSTS INCURRED BY THE CITY

58. (1) If a person is in default in doing any matter or thing which this Bylaw directs that he should do, the matter or thing may be done by the City at the expense of the person in default and if the person in default does not pay such expense promptly upon being invoiced therefore the City may recover the expenses thereof with costs by action in any Court of competent jurisdiction.
- (2) If by reason of any contravention of any provision of this Bylaw or the Act the City is authorized or required to move a motor vehicle from a place where it is parked in contravention of the Bylaw or of the Act and to impound the same the amount of the expense so incurred shall be added to the amount of any fine or penalty which may be imposed by reason of the contravention or to the amount of payment to be made in lieu of prosecution as provided in Section 55 and the person concerned shall be required to pay the amount of such expense in addition to any fine, penalty or payment in lieu of prosecution as the case may be.

PENALTIES

59. (1) Subject to the provisions of subsection (2) a person contravening a provision of this Bylaw and any other person liable or responsible for such contravention shall upon Summary Conviction before a Court of competent jurisdiction be liable to a fine not exceeding Ten Thousand Dollars (\$10,000.00) exclusive of costs or in the event of non-payment of the fine and costs to imprisonment for a period not exceeding Sixty (60) Days unless such fine and cost including the cost of committal are sooner paid.
- (2) Notwithstanding Subsection (1), no person convicted of an offence by reason of contravention of a provision of this Bylaw shall be liable to imprisonment for non-payment of a fine and costs imposed upon Summary Conviction therefore unless he was the person actually driving the motor vehicle at the time the contravention of the Bylaw occurred.
(29M2003, 2003 May 12)

- 59.1 (1) An *Officer* may seize and impound for a period not exceeding 60 (sixty) days any bicycle, skateboard, or other similar device used or operated in contravention of this Bylaw.
(72M2021, 2022 January 01)
- (2) Where a bicycle, skateboard, or other similar device has been seized and impounded by an *Officer* as provided for in this Bylaw, the owner or operator of such bicycle, skateboard, or other similar device shall, aside from any fine or penalty to which he may be subject, be liable for all reasonable costs incidental to the seizure and impounding of the bicycle, skateboard, or other similar device.
(34M2003, 2003 July 14)
(72M2021, 2022 January 01)

OWNER LIABLE

- 59.2 (1) If a vehicle is involved in an offence referred to in this Bylaw, the owner of that vehicle is guilty of an offence.
- (2) Subsection (1) does not apply if the owner of the vehicle satisfies the Court that the owner did not park the vehicle or was not driving the vehicle at the time of the offence, and that the person who parked the vehicle or was driving the vehicle at the time of the offence did so without the owner's express or implied consent.
(36M2003, 2003 July 28)
- 59.3 (1) In regards to an e-scooter, "owner" includes any person or corporation who has been issued a permit pursuant to this bylaw for e-scooter share operations.
- (2) If an e-scooter is involved in an offence under the bylaw, the owner of that e-scooter, is guilty of that offence.
- (3) Notwithstanding subsection (2), the operator of the e-scooter may be liable for any offences involving the operation of that e-scooter.
- (4) Subsection (2) does not apply if the owner of the e-scooter satisfies the Court that the owner was not operating the e-scooter at the time of the offence, and that the person who was operating the e-scooter at the time of the offence did so without the owner's express or implied consent.
