

Navigate to: [Open Calgary | Open Calgary](#)

The screenshot shows the homepage of the City of Calgary's Open Data Portal. At the top, there is a navigation bar with the text "Tyler Data & Insights" and a search bar. Below this is a large banner image of pink cherry blossoms with the text "City of Calgary's Open Data Portal" and the tagline "Browse, download, and innovate." Below the banner are six cards arranged in a 2x3 grid. The top row contains "Browse Data" (Browse the datasets), "Feedback" (Do you have feedback or suggestions to enhance data.calgary.ca), and "Help" (New to our site or want to learn more about what you can do with Open Data? Click here.). The bottom row contains "Current Year Rainfall" (Check how much has rained in your area), "What is open data?" (Check out this video to learn more about open data!), and "Building Inspections" (Check property permit inspection records).

Click on "Browse Data"

In the search bar at the top, type in the permit type you are looking for (i.e., "Building Permits")

The screenshot shows the search results page for "Building Permit". The search bar at the top contains "Building Permit". The results are displayed in a list format. On the left, there is a sidebar with "Categories" and "View Types". The main content area shows 986 results, sorted by "Recently Added". The first three results are:

- Annual River Withdrawals** (Government): Total annual river withdrawals is the total volume of water withdrawn from the Bow and Elbow rivers measured in megalitres (ML). More. Created November 8, 2023. Views 17. Tags: No tags assigned. Chart icon.
- Green Line Alignment Map** (Transportation/Transit): Green Line alignment as depicted at Green Line LRT. More. Created October 30, 2023. Views 107. Tags: No tags assigned. Map icon.
- Building Energy Performance - Filter by Year** (Environment): This dataset is derived from BenchmarkYYC and contains annual, aggregated building energy and emissions data categorized by primary property type. All energy and greenhouse gas emission metrics are calculated by ENERGY STAR. More. Created October 30, 2023. Views 72. Tags: building, climate, emissions, environment, ghg, and 1 more. API Docs icon.

The fourth result is partially visible:

- Building Energy and Emissions Performance by Property Type - BenchmarkYYC** (Environment): This dataset is derived from BenchmarkYYC and contains annual, aggregated building energy and emissions data. Created October 30, 2023.

Hit Enter. Click on "Building Permits"

BUILDING PERMIT BUILDERS REPORT – BUILDING PERMIT APPLICATION REPORT

Instruction:

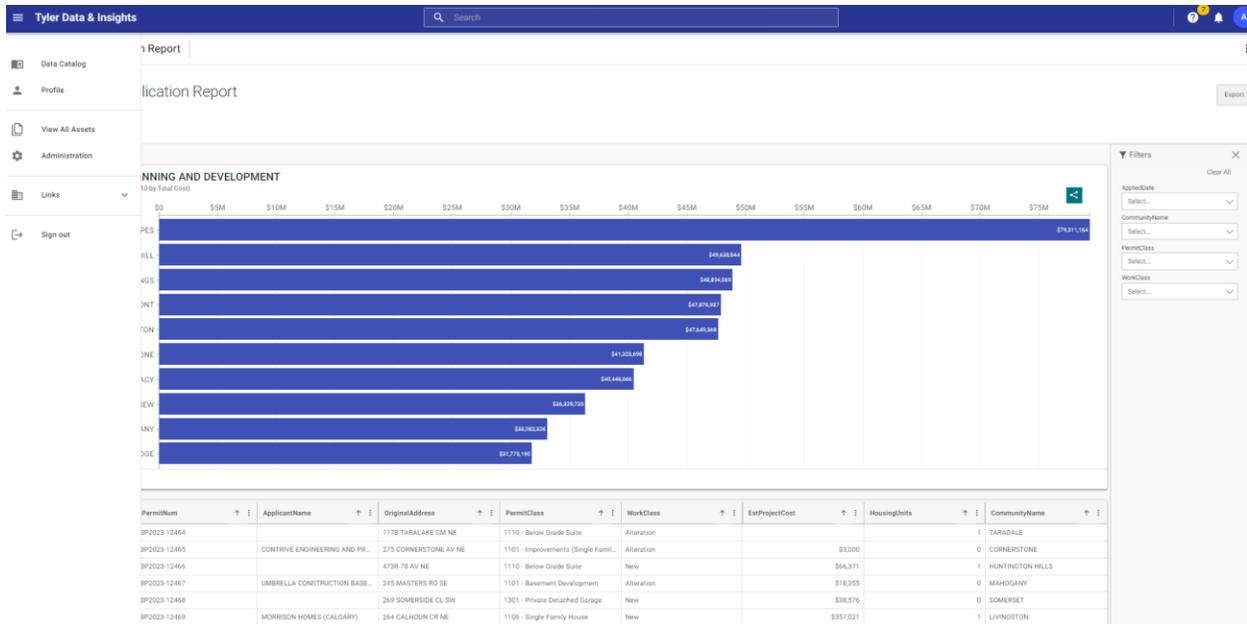

Navigate to: [Building Permit Builders Report | Open Calgary](#)

This window will appear:

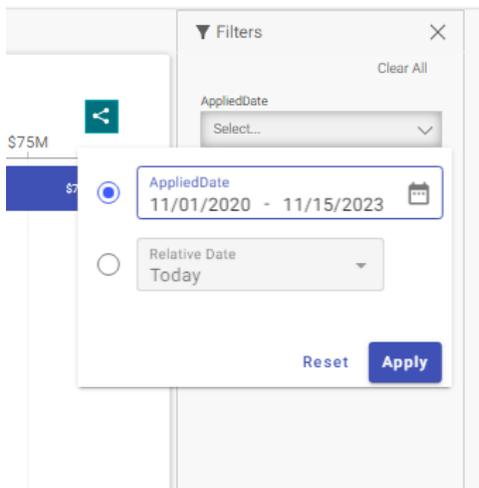

The screenshot displays the 'Tyler Data & Insights' web application. The header includes a search bar and navigation tabs for 'About', 'Data', and 'Related Content'. The main content area features a report card for 'Building Permit Builders Report' under the 'Business and Economic Activity' category. The report card shows 'View based on Building Permits', 'No description provided', and 'Last Updated November 20, 2023'. Below this is a 'Featured Content Using this Data' section with three cards: 'Builders Report - One and Two Family', 'Builders Report - Multi Family', and 'Building Permit Application Report'. Each card includes an 'External Content' label, an icon, and a link to related reports. At the bottom, an 'About this Dataset' section shows the report was updated on 'November 20, 2023' and is categorized under 'Business and Economic Activity'.

Click on the report you would like to view, for example, “Building Permit Application Report”

Tenancy Change:

Instruction:

Navigate to: [Applications For Tenancy Change Report | Open Calgary](#) This window will appear:

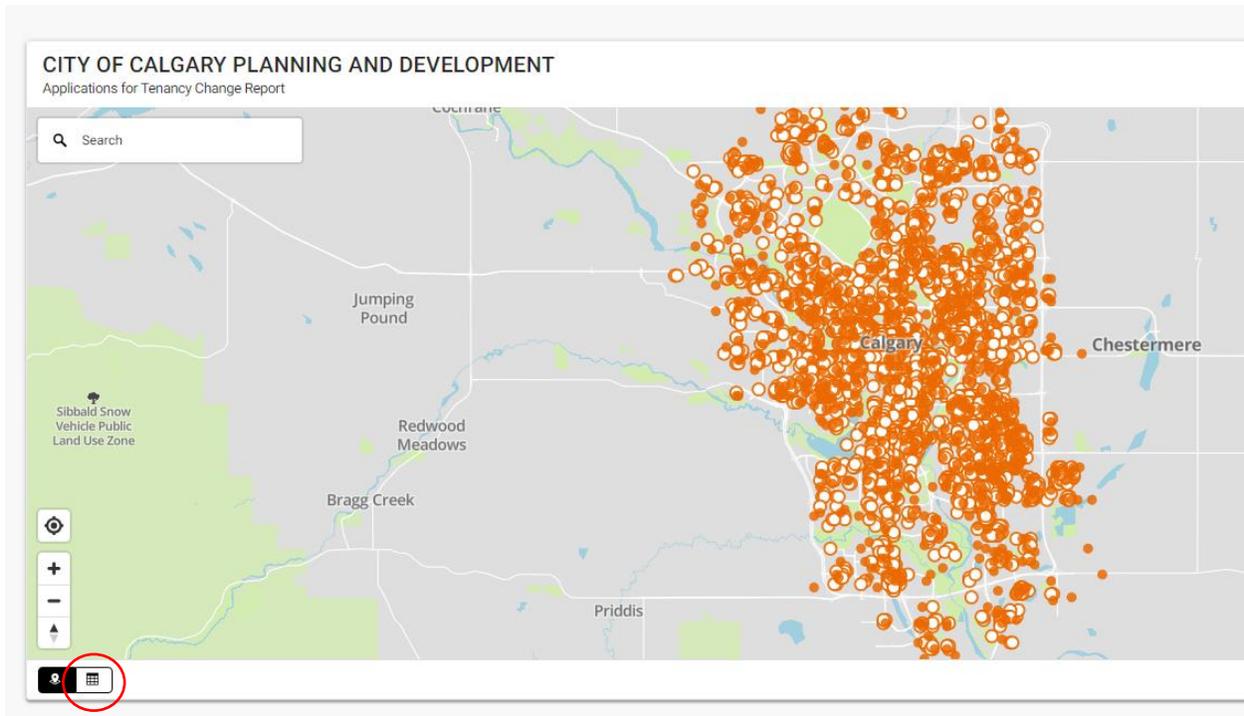

The screenshot displays the 'Applications For Tenancy Change Report' web application. At the top, there is a navigation bar with 'Tyler Data & Insights' and a search bar. Below the navigation bar, the page title 'Applications For Tenancy Change Report' is visible, along with an 'Export' button. The main content area features a map titled 'CITY OF CALGARY PLANNING AND DEVELOPMENT' showing 'Applications For Tenancy Change Report'. The map is densely populated with orange circular markers representing individual applications. A sidebar on the right contains a 'Filters' section with a 'Clear All' button and a dropdown menu for 'AppliedDate'. The map interface includes a search bar, zoom controls, and a legend.

Use the filter on the right hand side to modify a date range:

Click "Apply"

In the bottom left hand side of the map, select the "Summary Table" to change the view from the Map

Once the table appears, select “Export” in the top right hand corner and select what format you want the data in. If “CSV for Excel” is selected, the dataset can be opened in Excel, with column formatting retained. I.e.:
