That the Intergovernmental Affairs Committee recommends that Council approve the updated Intergovernmental Policy Issues and Position Statements as presented in the Attachment, **after amendment to the Attachment as follows:**

On Page 20 of 56, Position #3, by adding the following information to the end of the section titled *New Position Statement: Oil and Gas Exploration within Municipal Boundaries:*

“In 2012 November, the Alberta Legislative Assembly passed Bill 2: Responsible Energy Development Act. This Act creates a single regulator for all upstream oil and gas, oil sands and coal development. The new regulator would be responsible for energy resource developments from their initial application to reclamation. The Government of Alberta is moving forward with the development of regulations to support the implementation of this legislation. Administration will continue to monitor the implementation of the Act to determine any potential impacts to The City.”.

On Pages 30 and 31 of 56, Position #9, by removing the reference to Bill 203, but maintaining the position that The City of Calgary supports the continuation of local autonomy and the ability to negotiate franchise fee agreements, and determine the fee component, to meet our needs.
