Business Unit / Department: Environmental Safety Management

Project Title: Eventbrite: Climate Symposium 2021

PIA Number: 2021-PIA-001

Project Description:

The City of Calgary's ("The City") Environmental and Safety Management ("ESM") Business Unit's is responsible for organizing an annual Calgary Climate Symposium, which falls in line with the goals of The City's Climate Resilience Strategy (approved by City Council on June 25, 2018). The Climate Resilience Strategy outlines The City's strategies and actions to 1) reduce our contributions to climate change by improving energy management and reducing greenhouse gas emissions (climate change mitigation); and 2) Respond to a changing climate by implementing risk management measures to reduce the impact of extreme weather events and climatic changes on infrastructure and services (climate change adaptation). Due to the ongoing COVID-19 Pandemic, the 2021 Symposium will be held as a two-day online virtual event from March 25 to 26, 2021, with a possibility of virtual tours on March 27, 2021. This event is open to the public and consists of multiple sessions focusing on various Climate Change topics. The online ticketing and registration platform, Eventbrite has been chosen by the Project Team to register participants for the event, while the online sessions will be hosted on Microsoft Teams Live Events.
